

Step 1: Come out and have a look at the club or contact our president or secretary.

Step 2: Join our National Association (SSAA). All SSAA Moonta members are required to first join SSAA National which also covers your insurance whilst at the club. SSAA National offer Junior, Senior, Adult and family memberships.

When completing the SSAA membership our club branch number is S03. Junior SSAA membership is currently covered by SSAA SA. Please contact secretary for details on how to proceed with a junior national membership fee.

Step 3: Join SSAA Moonta

To join you first need to fill out our club membership application. The SSAA Moonta Application Form available [here](#) (please do form link AZI)

For members wanting to shoot handgun now or in the future:

By law it is required that you get two references to fill out the referees section on the application form. By signing the form they believe that you are of good character to join a shooting club, and have known you for the last two years.

For those that do not have a current South Australian firearms license a national police check will be required for a fit and proper person check. Fit and proper persons form can be obtained from the club secretary.

Step 4:

The SSAA Moonta will then run a background check. This will involve

SAPOL Check. Fit and proper person check or firearms licence

Club contacting referees

Membership Application will be put forward at the next committee council meeting.

Memberships applications are normally processed within 4 weeks.

You will be notified by the Club regarding your membership following the committee meeting followed by membership invoice from the club treasurer.

Useful information after becoming a member.

Under the 2017 regulations new members must notify to SAPOL that you have joined SSAA Moonta.

Under the SSAA Moonta constitution it is required that you retain your SSAA membership whilst you are a member of SSAA Moonta. This is important as this covers your insurance, and the ability to shoot in matches. Checks will be done throughout the year by the Secretary.

Under the current firearms act, any person wishing to compete in a any club activities (including general sighting in) with their own firearm is required to have purpose of use (POU) 1 (club use) on their licence.
